

Wednesday Night Dinner - We gather every Wednesday Night at 5:30 PM for dinner. Frank Vetrano and his kitchen crew always provide a delicious meal. A \$5 donation is requested to help provide this ministry.

Wednesday Night Bible Study - Bible Study starts at 6:20 PM and is over around 7:20 PM. The adults gather in the Fellowship hall. Bruce Morgan coordinates the study, and the topic varies. Currently, Dr. Bill Hines is presenting a series on the New Testament and how the books it contains were selected and became the Bible that we know. Dr. Hines always makes this kind of information fresh and leaves us wanting more.

High School gathers in the High School Sunday School room. It is located in the back of the church behind the kitchen. The leader is Melanie Floyd, but the youth members often lead the discussion. The current topic is Parable Interpretations.

Middle School gathers in the Middle School Sunday School room. The room is located in the back of the church behind the kitchen. The leader is Valerie Richardson. Their current study is a video series called Jacob's Ladder. We have found that this age group engages well with videos, but Valerie incorporates other activities. Elementary School currently gathers with Middle School, but Tina Mitchell is ready and willing to teach should we have enough interest.

Sunday Mornings are Happening at Church! - If you haven't been to Sunday School at FPC lately, you are really missing out! We have something designed for all ages and interests. We have classes for all ages of youth and two adult classes. A nursery is always available for the little ones.

Here are just a couple of classes detailing their area of study.

High School Group: Stewart Clark is facilitating a class that is designed around areas of interest for the teenage group. His curriculum will differ from week to week utilizing www.teensundayschool.com and other websites to include various activities and discussions from current topics.

At the top of the stairs there is a Bible study discussion class for Y-O-U : Young Adults, Others (young in spirit), those Uninvolved in another class. Our discussion, led by Betty Sloop, centers around the catechism questions and Bible verse for the week and the life and ministry of Jesus recorded in Mark. Join us as we gain insight, inspiration and information from each others' questions, answers, observations and experiences.

Volunteer Needed! - Do you have library experience? We need someone with extremely good organizational skills to file the many donations we have received for the library. Please see Nanette Baughman or Melanie Floyd if you're willing to be our Church Librarian.
